- (A) Modest (B) Obedient (C) Timid (D) Memorable

Directions (Q. 96 – 100): Read the following passage carefully and answer the questions given below.

Patriotism is a very complex feeling built up out of primitive instincts and highly intellectual convictions. There is love of home, family and friends, making us peculiarly anxious to preserve our own country from invasion. There is the mild instinctive liking for compatriots as against foreigners. There is pride, which is bound up with the source of the community to which we feel that we belong. There is a belief

suggested by pride but reinforced by history, the one's own nation represent a great traditions and stands for ideals that are important to the human race. But besides all these, there is another element, at once nobler and more open to attack, an element of worship, of willing sacrifice, of joyful merging of the individual life in the life of the nation. This religious element in patriotism is essential to the strength of the state, since in enlists the best that is in most men on the side of national sacrifice.

96. A suitable title for the passage could be
