E- CIRCULAR

Ananda Rangapillai Library, Pondicherry University, in collaboration with Wiley Publishing, is organizing an author workshop on **"How to effectively write and publish your articles"** on **Friday, 9th December 2022, from 3.00 p.m. to 5.00 p.m. in J.N. Auditorium**.

About the author workshop:

Research paper publication will enhance the research visibility of the academic community. So this author workshop will help the Pondicherry University community to address the challenges and increase their chances of publishing research work in reputed journals. This workshop will give insight into the types of academic publications available, the processes involved in getting the work published, and the expectations of the editors they have for authors and their work.

This session will help you to know how to select journals and get published both from a publisher's perspective and with an inside look at the process by an eminent academic expert in the industry. The workshop will outline various pitfalls to avoid with tips to keep in mind to get started on prepping your research for publication.

Major highlights of the workshops are:

- Questions to keep in mind while preparing for submission
- Peer review processes explained
- Myths and Methods behind publishing Theoretical and Conceptual Papers decoded
- Processes that continue after article acceptance

All the Faculty members, Research scholars, and Students are requested to register using the following link and participate in this author workshop.

All the participants will receive a participation certificate.
