

Pondicherry University Library bags Award

Pondicherry University Library was given the **Shining Star Award** for Outstanding Support and Collaboration by ProQuest at the ProQuest Day held at Bengaluru on October 5, 2018. The event was a National Library Submit with a participation of nearly hundred Library and Information professionals invited from all over India. ProQuest was founded in 1938 and were the forerunners for microfilms and microfiche under the label umi. ProQuest Directors from Japan, Australia, U.K, U.S and India were present and interaction through several panel discussions and presentations highlighted the trends in information products and services.
