E-Circular

Pondicherry University subscribes to many e-Journals, e-Books and e-Databases, and many e-resources for its users. Access to all the e-resources is available through IP authentication by the relevant publishers, enabling the users on the Pondicherry University Campus to access all the available resources through the intranet.

RemoteXs (Remote Access) is a facility provided to all the Faculty members, off-campus Research Scholars and Part-time Research Scholars to access all the e-resources subscribed by Pondicherry University. The total number of licenses available for RemoteXs facility is only 700 which is sufficient to support the above categories of users. The staff and scholars of Pondicherry University Campus are not able to come to the campus so they are provided with Remote Login credentials as they can access the same from the Campus intra-network.

Due to the current pandemic situation, the Remote Access facility has been extended to the faculty and regular Research Scholars on request through e-mail. Recently all the 700 licenses were utilised and the Central Library could not provide more credentials of RemoteXS facility. Based on our request, the service provider has increased the number of licenses from 700 to 2000 till the Pandemic is over but not later.

Hence, it is requested that the Faculty and Research Scholars who are not having RemoteXs credentials so far and require such facility may please send the request through e-mail to librarian@pondiuni.edu.in with the following details :

Subject : Request for Remote Login Facility
First Name : Last Name :
Department : Email ID :
Mobile No.: Library Membership ID :
RAMS Registration No.(for scholars only):

Kindly note that all the users of the RemoteXs should sign and accept the rules of the PU Central Library and service provider. The terms and conditions document is attached herewith and you are requested to sign the same and attach the scanned copy with your e-mail. It is also requested that the users who have already provided with Remote Login Facility may also send the signed copy of the terms and conditions through email on or before 15/05/2021. Remote Login access will be continued only on receipt of the scanned copy of the Terms and Condition. It is only for the individual user and NOT shared to others and in case of any misuse, severe action will be taken.
