E- CIRCULAR

Ananda Rangapillai Library is conducting a technical session on **"Statista: Empowering People with Data"** for the research scholars of Pondicherry University **from 3:30 PM to 4:30 PM on Thursday 11th, August 2022 in Conference Room, Library Annexe Building**.

Statista is one of the world's most significant statistics, data and research platforms with access to more than 1.5 million data on 80,000 topics. The platform professionally gathers and compiles content from more than 22,500 sources worldwide. More than 25,000 companies and organisations, as well as around 4500 universities worldwide, use Statista. Statista has been widely used by research communities across the globe. Statista can be found cited in some of the top journals from various domains, including Management, Economics, Environmental Sciences, Technology, Medicine, Social Sciences, Agriculture, and Humanities etc.

All the research scholars are requested to attend the session.
