E-CIRCULAR

Since 2013, Ananda Rangapillai Library has been using SubjectsPlus.2 version, which is an open source software for creating the Subject and Resource Guide. It helps to find the print and electronic resources information according to a specific subject where users can identify the most useful resources for their requirements. This Subject and Resource Guide enables users to access Ananda Rangapillai Library resources such as Print/online Books, Journals, Databases, Open Educational Resources (OERs), Theses & Dissertations, Scholarships/ Fellowships and Online Public Access Catalogue (OPAC) on a single platform.

Now Subject and Resource guide is updated with a new version SubjectsPlus 4.6 to meet the academic and research needs of students, research scholars and faculty members of Pondicherry University. The updated version is user-friendly and provides information that is more relevant to the Pondicherry University Users Community. The users can access the latest version of the Subject and Resource guide from the URL: <http://lib.pondiuni.edu.in/splus/subjects/index.php>

For further information on the Subject and Resource Guide and its access, please contact Dr. P. Vijayakumar, Assistant Librarian, Digital Library Services Section, Ananda Rangapillai Library, Pondicherry University, Email: dls.lib@pondiuni.edu.in, Phone: 0413 -2654 289.
