

Ananda Rangapillai Library in collaboration with **Statista**,

invites you the

Online Demo Session
Empowering Users with Data

followed by a 10-day trial

Statista is a leading global platform, providing access to over 1.5 million data points across 80,000 topics. As one of the world's largest statistics and research databases, Statista covers Indian and international data in fields such as Politics, Marketing, Finance, HR, Supply Chain, Decision Science, Media, Policy making, Economics, Environment, Climate Change, Education, Defense, Agriculture, Social Sciences, Healthcare, Pollution, Management, Sustainability, Artificial Intelligence, Metaverse, Technology, Market Trends, Industry Data and more. Statista content is aggregated from 22,500 global sources, with 300-500 new data points added daily. Statista is trusted by 25,000+ organizations and 4,500 universities worldwide.

The Statista Campus License offers institutions unlimited access to a diverse range of statistics, market research, and reports, supporting academic activities. With comprehensive coverage across industries, countries, and topics, users benefit from data that can be integrated into teaching, projects, reports, etc. The customizable solutions and support provided by Statista ensure that users can effectively leverage the platform for their specific needs, whether it's conducting market analysis, exploring demographic trends, or enriching course materials.

Date : 10th October 2025 at 11:00 AM
